OFFICIAL MEMORANDUM

Subject - Grant of Municipal licenses to Hotels

====

It has been brought to the notice of the Govt that the Municipalities have been issuing fresh licenses to hotels in contravention of the provisions of clause 4 of the "Mysore Food (Restrictions of service of meals by catering establishments and others) Order of 1946 The argument generally advanced for such licensing is the use by these hotels of only non-rationed articles without interference with the supply of essential and controlled commodities Such an interpretation of the Order would provide scope for the ~~corping~~ Cropping up of Coffee Bars, Milk Bars etc by a circumvention of the Rules, and their gradual transformation into full fledged restaurants, thus frustrating the very object with which these restrictions have been imposed

Moreover, in the altered conditions created by the decontrol of Paddy and Millets there is likely to be an increase in the number of applications for the starting of new hotels Experiencex has shown that the Post-Cortrol Period is not likely to be quite free from anxiety and calls for greater vigilance Government while repealing the Food Order of 1946 have therefore thought fit to retain clause (4) of the said Order, continuing the prohibition on the opening or licensing of new catering establishments, the success of which depends upon the co-operation of the Municipal Authorities with

the Department of Food

Government, therefore, direct that no ~~Muni~~ ~~cipal~~ Licenses ~~should~~ be issued by the municipal owners for the starting of fresh hotels, restaurants, coffee bars, milk bars or other catering establishments except in consultation with the Director of Food Supplies or other Officer ~~authorised~~ authorised by him in this behalf
